For your meeting in a peaceful, original et enjoyable place, Windalps provides 5 meeting rooms to rent by hour, half-day, or day long, with high quality equipment.

Windalps has been imagined and created by 2 skydiving fans, who have jumped all over the world. This wind tunnel is born from their desire to share their passion, and make the maximum persons discover it.

The meeting rooms have been named thinking about the 5 biggest drop zones in the world, places where skydiving is born, has been reinvented, and places where the biggest events still take place. A small wink to come back to the origin of skydiving, and than Windalps.
